We're suited up and ready to take the field!

*COVID caused us to call an audible more than once in recent years, but the playbook has changed, and we could not be more thrilled to invite you join us **IN PERSON** Sept. 9-10 in Brookings, SD for the 136th Annual South Dakota Pharmacists Association (SDPhA) Convention!*

Many of you hung with us last year as we made a last-minute switch to a virtual format in the face of a COVID surge last Fall. Words cannot express how grateful we are for your team standing shoulder-to-shoulder with ours as we found a way to press on. We are thrilled to see you and thank you in person this year!

The following pages contain all the details you need to know. But here are the most important stats:

When: Fri., Sept 9- Sat., Sept. 10

Where: Swiftel Center, Brookings, SD

Headquarters Hotel: Hampton Inn and Suites, Brookings, SD

Our convention includes many educational opportunities for pharmacists throughout South Dakota and neighboring states, and our members include pharmacists from all practice settings. The specific goals of the convention are to bring awareness to pharmacist services, increase knowledge of new pharmaceutical treatment options, and provide educational services for pharmacists within the healthcare provider team.

To help meet our objectives, we ask you and your company for support in our efforts. We seek voluntary financial support to offset speaker costs, program materials, etc. We also greatly encourage your company to participate in our exhibit hall. Please see the attached forms inviting your participation as an associate member, sponsor, and/or exhibitor. All companies will be recognized for their contributions. We would ask that you complete the enclosed registration forms and return them to us at the address listed, or complete the registration form available online.

The SDPhA convention offers an outstanding experience for vendors that encourages all our pharmacist, student and technician attendees to visit the exhibitor booths, and really learn more about your products and services. For your consideration and future planning, display time is scheduled for Fri, Sept. 9, 11 a.m. – 1 p.m. in the exhibit hall area with attendees. The vendor area will be separate and apart from the educational/CE area. We expect between 175-200 attendees, including a great number of student pharmacists – after all Brookings is the home of South Dakota State University, which has the state's only pharmacy college!

We hope you can join us and show your support for the pharmacy profession. If you require more information regarding program content, specific speakers, or attendance, we would be happy to visit with you! You can reach me at 605-224-2338 or amanda@sdpha.org. Thank you so very much for your consideration and support. It is genuinely appreciated.

Warmest Regards,

Amanda Bacon
