Exhibitor Package

BROOKINGS | SOUTH DAKOTA | SEPTEMBER 10–12, 2026

320 E Capitol Ave • Pierre SD 57501 • 605-224-2338 • sdpha.org

Dear Industry Friends,

On behalf of the South Dakota Pharmacists Association Board of Directors, I'm delighted to invite you to join us for the 140th Annual SDPhA Convention, September 10–12, 2026, in Brookings, South Dakota. For **140 years**, SDPhA has brought pharmacists and pharmacy partners together to strengthen the profession, support patient care, and build connections across our state. This year's convention will continue that tradition while creating even more opportunities for meaningful conversation, education, and celebration.

Each year, the SDPhA Convention welcomes approximately 150 pharmacists, pharmacy technicians, student pharmacists, and other pharmacy professionals from South Dakota and neighboring states. Our industry partners are an essential part of the experience, and we would be honored to have your organization join us.

What's New in 2026

More reasons to arrive Thursday.

For the first time, Thursday afternoon will include continuing education programming before our evening events. Exhibitors and sponsors may also participate in the **Script Sessions, SDPhA's reverse expo** experience designed to create focused, productive conversations between industry representatives and pharmacy decision-makers. Space is limited, with priority given to sponsors and corporate partners. Full details are on the following pages.

A milestone worth celebrating.

Friday evening, we will gather for a special celebration honoring **SDPhA's 140-year history** and the people and partnerships that continue moving South Dakota pharmacy forward.

Enhanced connections beyond convention.

SDPhA's newly expanded Corporate Partnership opportunities offer year-round visibility, engagement, and alignment with our work, not just recognition during the annual meeting.

What's New

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
